

### Animals on the farm

There are a lot of animals on the farm. There is a horse, a donkey, a pig, two goats and three geese. The horse is bigger and faster than the donkey. The pig is fatter and heavier than the geese. The geese are smaller and lighter than the horse.

The horse and the donkey are running. The pig is not swimming or eating. It's sleeping. The goats are eating happily. The geese are swimming in the pond. All of them are delighted on the farm.
