

My teacher

Miss Fan is one of my class teachers. She also teaches me English. She has long, straight, golden-brown hair. She is slim but not tall. She enjoys reading, singing, and painting.

Miss Fan goes to work at seven o'clock in the morning. First, she brushes her teeth once she gets out of her bed. Next, she gets dressed and has breakfast. Then, she enjoys her cup of coffee before setting out for work. After that, she goes to school by bus.

She has lunch at one o'clock in the afternoon. She then has meetings with other teachers and does some marking. After half day of work, she gets off work at half-past four. She arrives home at around half past five. She first takes a shower and then starts preparing for her dinner.

She has dinner at half-past seven in the evening. Finally, she spends nearly an hour preparing for her lessons the next day.

Miss Fan is a dedicated teacher. She always reminds me not to give up. She teaches me a lot of new vocabulary, which helps improve my English. I am grateful to have such a wonderful teacher.
