

My Teacher

My English teacher is Miss Lee. She has got small eyes and long hair. She is very tall.

Miss Lee always gets up early in the morning. First, she washes her face and brushes her teeth. Then she has breakfast. She often drinks coffee and eats bread for breakfast but she never eats cereal and oatmeal. Next, she catches a bus to go to school and teach us.

In the afternoon, she has lunch. Then, she marks our homework. In the evening, she goes home and has dinner. Later, she watches TV and takes a shower. Finally, she goes to bed. She is busy every day!

In her spare time, she plays sports like swimming and tennis. Her favorite sport is surfing. Also, her handwriting is very nice and she is very organized. I want to have nice handwriting too! She is a very good teacher.
